Courage comes first ode to Tai

Courage comes first Ode to Tai
>
I lead them into trouble,
>Then into more strife,
Across the blazing deserts,
>And though the cold ice,
Yet very few times did the complain,

>Saying that any further would drive them insane,
For way down deep in their hearts,
>They loved 'me' as a leader lot's and lot's,
After all we've been through,
>After all this time,
They still believed in me as a leader,
